

Presentations

Presentations for schools, clubs, organizations are offered year round. Presentations can be adapted for classrooms, conference rooms or outdoors. We can also adapt to long or short presentation times.

We provide a variety of reproduction artifacts, furs, examples of crafts and clothing, tools and representative food sources, personal ornaments and crafts, all of which can be handled.

Presenters are dressed in **regalia** (Native Clothing). A small scale bark dwelling called a wigwam, traditional dwelling of the Lenape, is available during warmer months. This model is made to be entered and explored. It can be brought to your site as part of a half or full day series of expanded activities.

Topics covered include history, traditions, games, natural foods and materials, storytelling, drumming, life skills, environmental awareness, singing and dancing.

Costs for presentations vary according to length, and depth. Base cost a one-hour presentation is \$100.00, plus .38 cents per mile. Additional hours are \$50.

Living History presentations of Eastern Woodland Indian Life, including the half scale wigwam on your site are \$500.00 a day; additional consecutive days are \$250.00 each. A Tipi is available at the same cost. East meets West Living History presentations with both Wigwam and Tipi are \$800.00 per day. Living History presentations include at least 2 presenters in regalia.
